

# Understanding Social Environments

## *Different Ways We Experience Place*

1. Gender affects our experiences
2. Ethnicity affects our experiences
3. Age affects our experiences
4. Looks affect our experiences
5. Location affects our experiences
6. Status affects our experiences
7. Nationality affects our experiences
8. Language affects how we experience place
9. Attitudes and beliefs affect our experiences
10. Our abilities affect our experiences
11. Standing in another's place
12. Walking with another's face
